

2016 CHARDONNAY

Yakima Valley

VINEYARDS

Olsen

BLEND

100% Chardonnay

“In the spring of 2013 we partnered with Olsen vineyard and selected a site that would produce world class chardonnay. With its north slope, diverse soils and over 1200 feet of elevation the site offers a truly dynamic climate perfect for chardonnay. Three distinct clones were chosen specifically to augment the already incredible characteristics of the site. Clone 548 is a low yielding clone that offers great aromatic intensity (tropical and stone fruits) and palate weight. Clone 76 provides a very elegant aromatic profile (minerality and citrus) with a beautiful focused acidity. Clone 809 is a chardonnay musqué clone known for its highly perfumed, muscat like aromatic (floral and sweet) and intense presence in the palate.”
