Sparkling Rosé

The inaugural vintage of “I am The Fabulous Mr. Pink” Sparkling Rosé opens with aromas of bright strawberry, brioche and subtle notes of crushed rose petal. The palate displays more fresh berry, ripe citrus with pleasing creaminess and lush fruit texture. The wine’s superb acidity counters the palate’s fruitiness and mingles with the bubbles for a long, dry finish.

2020 Vintage

The growing season turned out to be slightly warmer than average in Washington, with harvest season slightly compressed on the tail end. For the 2020 “I am The Fabulous Mr. Pink” Sparkling Rosé, conditions were nearly perfect. The warm early summer made it possible to pick at peak conditions for Rosé in the first week of September, harvesting fruit that had both excellent acidity levels and the flavor complexity of a much later harvest date.
