LOST SOUL

Syrah | Yakima Valley | 2019

Winemaking Notes

The Lost Soul is a single vineyard representation of Red Willow Vineyard syrah and is a combination of two distinct blocks planted on quite different soils. While the Wild Eyed represents the warmer climate side of syrah, the Lost Soul embodies the cooler side.

We take a very hands-off approach with this wine, striving to protect the unique qualities of Red Willow Vineyard. Like the Wild Eyed, the wine is aged in thick staved 500-liter French oak barrels. Unique to the Lost Soul is the extended barrel aging program. The Lost Soul spends an additional 12 months in barrel, for a total of 30 months of aging.
