NUMBSKULL BDX

Columbia Valley | 2021

RED WINE

TASTING NOTES

A red Bordeaux blend dominated by cabernet sauvignon with merlot, malbec, and petit verdot adding complexity and depth to the blend. A rich nose of blackberry, plum, chocolate, and vanilla open this concentrated yet approachable full-bodied wine. The flavors are dense and ripe, marked by dark fruits, toasted oak, and chocolate with a plush finish.

ABOUT THE LABEL

The NumbSkull lineup started with the 2014 vintage. Mark wanted to explore vineyards in Walla Walla and create wines representative of the valley. As the popularity expanded he continued to explore additional vineyards to create the full-bodied blends NumbSkull became known for. The label design comes from a collaboration with the talented Seattle artist Cherylin Andre, who utilized her 'flame painting' method to create the Skull using scorch marks and candle soot. It won 'Coolest Wine Label' in 2016 from Seattle Magazine.
