

NUMBSKULL

NUMBSKULL GSM

Columbia Valley | 2019

The 2019 NumbSkull GSM is a bold and appealing blend of Syrah, Mourvedre, and Grenache from two world-class vineyards - Olsen Vineyard in Yakima Valley AVA and Quintessence in Red Mountain AVA. We have been working with Olsen Vineyard for nearly two decades and fruit sourced there from 2019 is incredibly high quality. We partnered with Quintessence Vineyard in 2012 to custom plant vineyards specifically for us, and we continue to see the substantial effects of this project.

Tasting Notes

Presenting deep, rich aromas of dark cherry and raspberry on the nose with hints of vanilla. These continue on with black fruits, violets, slight smoky meat, and blackberry on the palate; combining with velvety tannins, balanced acidity, and a lengthy finish.
