## Tasting Notes

The 2015 Willamette Valley Chardonnay is sourced from some of our favorite vineyards in Dundee Hills and Eola-Amity Hills. Aromas of citrus combine with toast and tree fruit to entice. The palate delivers with lime, Fuji apple, and a touch of tropical. The mouthfeel is luscious, and well integrated oak notes shine with a bright rush of acidity. A balanced finish provides both warmth and minerality. An easy drinkability now and a potential to develop even more complexity with cellaring.
